MEMORANDUM FOR: AC/OIT/GOG/MFD/DTB

FROM: [REDACTED]

Chief, Counterterrorism Center/Intelligence

VIA: [REDACTED]

SUBJECT: Letter of Appreciation, Cases of [REDACTED]  
[REDACTED]

1. The establishment of the new Counterterrorism Center (CTC) has entailed moving various computer systems, phone lines, and other equipment into new space in 6F corridor. Among the most important of this equipment are the Flashboard terminals which link CIA with various other counterterrorism centers in the Intelligence Community.

2. In the course of trying to move and reactive both my Flashboard terminal and the one used in the Command Center, I found [REDACTED] to have been of excellent service in reestablishing this vital communications link with the rest of the Washington area centers. Originally called upon because of a possible wiring problem with one of the terminals, [REDACTED] went far beyond their original mission in relocating and activating both terminals. It would have been easy for them to conclude that this assistance was beyond the scope of the original trouble call and leave it to others. But both [REDACTED] took charge of the situation, effected the movement and ensured that both systems were up and running to our satisfaction. They then returned the following day to ensure that things were indeed running smoothly.

3. Inasmuch as this Agency is dependent on the professionalism and excellence of its employees, I would like to thank [REDACTED] for a job well done that was accomplished in a truly professional and timely matter. Their assistance above and beyond what they had originally
